

# Bio & Terror Bible

## EXPOSING THE COMING BIO-TERROR PANDEMIC

**BIOTERRORBIBLE.COM:** When a major bio-terror attack and subsequent pandemic hit the United States of America, it will most likely be executed from behind the scenes by [Ezekiel Emanuel](#), soon to be known as the “Doctor of Death”. As it currently stands, the city of [Chicago appears to be bio-terror target #1](#) with Ezekiel’s brother [Rahm Emanuel](#) in the power position of mayor. Both Emanuel brothers are dual U.S. and Israeli citizens whose father is a known Zionist terrorist who conducted attacks for the [terror state of Israel](#) who will likely provide the pathogens for the future bio-terror attack.

Israel is the only modern nation that has not signed the 1972 [Biological Weapons Convention](#) (refusal to engage in offensive biological warfare, stockpiling, and use of biological weapons). Israel is also the only modern nation that has signed but not ratified the 1993 [Chemical Weapons Convention](#) (refusal to produce, stockpile and use chemical weapons). Should a future biological terror attack hit America or any other nation, the state of Israel and its citizens will be prime suspects.

The following government and non-government agencies, institutions and organizations also appear to be intimately involved in some aspect of the upcoming bio-terror attack: [BARDA \(Biomedical Advanced Research and Development Authority\)](#), [CDC \(Center for Disease Control\)](#), [Center for Biosecurity of UPMC](#), [EIS \(Epidemic Intelligence Service\)](#), [INTERPOL \(International Criminal Police Organization\)](#), [NBACC \(National Biodefense Analysis and Countermeasures Center\)](#), [NIAID \(National Institute of Allergy & Infectious Diseases\)](#), [NIH \(National Institutes of Health\)](#), [OBFS \(Organization of Biological Field Stations\)](#), [USAMRICD \(U.S. Army Medical Research Institute of Chemical Defense\)](#), [USAMRIID \(U.S. Army Medical Research Institute of Infectious Diseases\)](#) and the [WHO \(World Health Organization\)](#).

**Title:** United States Army Medical Research Institute of Chemical Defense

**Date:** 2012

**Source:** [Wikipedia](#)

**Abstract:** The United States Army Medical Research Institute of Chemical Defense (USAMRICD) is a [military research institute](#) located at [Aberdeen Proving Ground, Maryland](#), USA, and is used by the [United States Army](#) for the [development](#), [testing](#), and evaluation of therapy and material to prevent and treat [casualties](#) of [chemical warfare](#) agents.

Its mission includes [fundamental](#) and [applied research](#) in the [pharmacology](#), [physiology](#), [toxicology](#), [pathology](#), and [biochemistry](#) of chemical agents and their medical countermeasures. In addition to research, the Institute, in partnership with the [United States Army Medical Research Institute of Infectious Diseases](#) (USAMRIID), educates health care providers in the medical management of chemical and biological agent casualties. The USAMRICD supports a Chemical/Biological Rapid Response Team (C/B-RRT), supports and trains Area Medical Laboratory (formerly Theater Area Medical Laboratory) personnel, and maintains a chemical surety facility ([Wikipedia, 2012](#)).
